R.C. No. 23620-X3/55 dt. 15-12-55.

Sir,

Sub:- Education - Fisheries - Elementary School at - Bekal - Purchase of Store articles - Sanction - requested.

---

1 The Fisheries Elementary School at Bekal requires the following articles:-

1. Almyrah (Steel)	.. 1	..	Rs. 178--0--0
2. Desks	.. 10	..	" 410--0--0
3. Map of Madras State	1	..	" 4--8--0
4. Map of South Kanara	1	..	" 4--8--0
5. Globe	1	..	" 5--8--0

2 There is only one almyrah in the school which is n sufficient to keep the records and valuable stores and librar and other books. The total strength of standards IV and V is 91 while the total number of desks available is only 7. This is quite inadequate. At least 10 desks more are quite essent The globe and maps in the School were damaged when the Schoo building collapsed in 1954 and have therefore to be replaced

3 The rates quoted by the Polytechnic is Rs. 41--0 for a jack-wood and Rs. 56/- for teak-wood each while the ra quoted by Jail Department is Rs. 65--4--0 for teak wood. Ja Department has not quoted for Jack-wood articles. The Assis Director has therefore proposed to make the purchase from th Polytechnic since jack-wood is comparatively cheap and good He also reports that the Jail Department generally takes a time in executing the orders.

4 I, therefore, request that Government may be pleased to sanction an expenditure not exceeding Rs. 700/-

(1) Rs. 500/- for supplying 10 desks (including Freight Packing &
(2) Rs. 16/- for supplying 2 maps and a globe. (charges
(3) Rs. 178/- for purchasing a steel almirah excluding freight and other incidental charges.

694

The expenditure can be met from the current years budget estimate under Fisheries Schools.

The School was made a permanent one in G.O. Ms. No. 2261 Development dated 18-5-51.
